

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

## SCOTLAND.

*Reports from Glasgow.*GLASGOW, SCOTLAND, *April 13, 1900.*

SIR: I have the honor to submit the following report for the week ended April 7, 1900: On April 5, the steamship *Anchoria* sailed for New York. Ninety-four second-cabin and 153 steerage passengers were inspected and passed. Inspected and labeled 117 pieces of baggage and disinfected 10 bundles of bedding.

On the same date the steamship *Salacia* sailed for Portland, Me., with cargo. I inclose the weekly abstract of bills of health issued.

Respectfully,

H. W. WICKES,

*Passed Assistant Surgeon, U. S. M. H. S.*

The SURGEON-GENERAL,

*U. S. Marine-Hospital Service.*GLASGOW, SCOTLAND, *April 19, 1900.*

SIR: I have the honor to submit the following report for the week ended April 14, 1900: On April 10, the steamship *Sardinian* sailed for Boston, Mass. Seventeen second-cabin and 90 steerage passengers were inspected and passed. Their baggage was inspected and passed with the exception of 3 bundles of bedding, which were disinfected. On April 14, the steamship *Laurentian* sailed for New York, N. Y. Forty-four second-cabin and 96 steerage passengers were inspected and passed. Bills of health were issued to the following vessels: April 11, steamship *Livonian* for Philadelphia with cargo, and the steamship *Almora* for Newport News on the 13th, in ballast. The public health reports show 1 case of smallpox during the week. I inclose herewith weekly abstract of bills of health issued.

Respectfully,

H. W. WICKES,

*Passed Assistant Surgeon, U. S. M. H. S.*

The SURGEON-GENERAL,

*U. S. Marine-Hospital Service.*
